Galbut Family  
**Miami Beach JCC**  
Simkins Family Campus  
POWERED BY COMMUNITY

Dear Parents,

The Miami Beach JCC is thrilled to be partnering with The Innovative School of Temple Beth Sholom to offer sports classes for your students during the 2024-2025 school year.

The students will be transported by the MBJCC, driven by a professional licensed driver. The bus will have air conditioning and seatbelts. Once at the MBJCC, the sports classes will be taught by our specialized Coaches depending on the sport and Supervised by our Athletics Director Joe Campodonico. This will allow the students to develop a true understanding of each sport.

Sports will include basketball, soccer, baseball, football, kickball, and tennis. In addition to learning the core sports the students will learn about warming up the body through relay races, stretching, and balance exercises.

If you have any questions please contact Jenny Mermelszteyn, Director of Children and Family Programs at [jenny@mbjcc.org](mailto:jenny@mbjcc.org) or 305-534-3206 ex 210.
